DECLARATION OF HANNAH SCHMIDT IN SUPPORT OF RECEIVER'S MOTION (1) TO MAINTAIN AND RESTORE MIMO CLAIMS OF CERTAIN INVESTORS AND ALLOW BOOK VALUE CLAIMS, (2) FOR AUTHORIZATION TO MAKE A THIRD INTERIM DISTRIBUTION ON ALLOWED INVESTOR CLAIMS AND THE BABECKOS CLAIM, AND (3) FOR AUTHORIZATION TO MAKE ADDITIONAL INTERIM DISTRIBUTIONS FROM TIME TO TIME

I, Hannah Schmidt, state and declare as follows:

1. I am the Case Manager for Clyde A. Hamstreet & Associates, LLC in its capacity as the duly appointed general receiver (the “Receiver”) in the above-captioned receivership proceeding for the 15 entities listed in the caption. I am a citizen of the United States, over the age of 18 years, and competent to testify herein. I make this declaration from my own personal

DECLARATION OF HANNAH SCHMIDT IN SUPPORT OF  
RECEIVER'S MOTION (1) TO MAINTAIN AND RESTORE MIMO  
CLAIMS OF CERTAIN INVESTORS . . . - 1

1 knowledge in support of the Receiver’s Motion (1) to Maintain and Restore MIMO Claims of  
2 Certain Investors and Allow Book Value Claims, (2) for Authorization to Make a Third Interim  
3 Distribution on Allowed Investor Claims and the Babeckos Claim, and (3) for Authorization to  
4 Make Additional Interim Distributions from Time to Time (the “Motion”).

5       2. On May 28, 2021, the Receiver filed the Receiver’s Motion (1) to Fix Allowed  
6 Amounts of Investor Claims and (2) for Authorization to Make Interim Distribution on Allowed  
7 Investor Claims (the “Investor Claims Motion”). In the Investor Claims Motion, the Receiver  
8 sought to fix the allowed amounts of Investor Claims (as defined in the Motion) using the  
9 “MIMO approach” only and without the book value amounts.

10       3. On July 2, 2021, the Court entered the Order Granting Receiver’s Motion (1) to  
11 Fix Allowed Amounts of Investor Claims and (2) for Authorization to Make Interim Distribution  
12 on Allowed Claims (the “Investor Claims Order”). The Investor Claims Order adopted the  
13 MIMO approach and authorized the Receiver to make a pro rata distribution of at least \$3  
14 million to holders of allowed Investor Claims.

15       4. On September 21, 2021, the Court entered the Ex Parte Order (1) Increasing  
16 Allowed Amount of Investor Claim for Patricia M. Schafer and (2) Authorizing Interim  
17 Distribution on Additional Portion of Allowed Investor Claim (the “Schafer Claim Order”). The  
18 Schafer Claim Order increased the amount of Patricia M. Schafer’s Investor Claim as allowed  
19 under the Investor Claims Order from \$708,031.59 to \$711,619.59 and authorized an interim  
20 distribution to Ms. Schafer at the 17.6297% rate set forth in the Investor Claims Order on the  
21 additional portion of her allowed Investor Claim.

22       5. On October 8, 2021, the Court entered the Order (1) Fixing Allowed Amounts of  
23 Administrative Expense and General Unsecured Claims of Babeckos Portland Moorage and (2)  
24 Authorizing Interim or Final Distributions on Allowed Claims (the “Babeckos Claim Order”).  
25 The Babeckos Claim Order does not an address an investor claim but does address an unsecured  
26 claim of Babeckos Portland Moorage (“Babeckos”). Under the Babeckos Claim Order, among

1 other things, the Court fixed the allowed amount of Babeckos's unsecured claim at \$4,225.00  
2 (the "Babeckos Claim") and authorized an interim distribution to be made on the Babeckos  
3 Claim at the same 17.6297% rate as for Investor Claims. "Further distributions to Babeckos on  
4 the Unsecured Claim shall be made from cash from the Estate in such amount as the Receiver  
5 determines can be made consistent with proper management of the Estate, pro rata with the  
6 Investor Claims." (Babeckos Claim Order ¶ 2, at 2.)

7 6. On July 2, 2021, the Court entered the Order Granting Receiver's Motion (1) to  
8 Fix Allowed Amounts of Investor Claims and (2) for Authorization to Make Interim Distribution  
9 on Allowed Claims (the "Investor Claims Order"). The Investor Claims Order adopted the  
10 MIMO approach and authorized the Receiver to make a pro rata distribution of at least \$3  
11 million to holders of allowed Investor Claims.

12 7. With the Court's approval, the Receiver entered into a Class Action Settlement  
13 Agreement (the "Class Settlement Agreement") with the plaintiffs and Davis Wright Tremaine  
14 LLP ("DWT") in the putative class action by those plaintiffs against DWT and others in the civil  
15 action entitled *Diane Anderson et al. v. Davis Wright Tremaine LLP et al.*, which is pending in  
16 the United States District Court for the District of Oregon as Case No.: 3:20-cv-01194-AR (the  
17 "Class Action").<sup>1</sup> Under the Class Settlement Agreement, DWT will pay \$3,677,000, which will  
18 be distributed to the Class (as defined in the Class Settlement Agreement). The Receiver  
19 estimated that the aggregate amount that the members of the Class that are holders of Investor  
20 Claims will ultimately receive under the Class Settlement Agreement is \$1,603,800.00.

21 8. DWT has also entered into a Settlement Agreement dated as of September 8, 2022  
22 (the "Beattie Settlement Agreement"), with certain plaintiffs (the "Beattie Plaintiffs") in the civil  
23 action entitled *Sherry Beattie, et al. v. Davis Wright Tremaine LLP et al.*, which is pending in the  
24 Circuit Court for the State of Oregon, Multnomah County, as Case No. 20CV09419 (the "Beattie

1 Action”). Under the Beattie Settlement Agreement, DWT will pay \$823,000 to be shared among  
2 the Beattie Plaintiffs. The Receiver estimated that the aggregate amount that the Beattie Plaintiffs  
3 that are holders of Investor Claims will ultimately receive under the Beattie Settlement  
4 Agreement is \$575,800.00.

5       9.     The Receiver identified which members of the Class and which of the Beattie  
6 Plaintiffs are holders of allowed Investor Claims under the Investor Claims Order and estimated  
7 the amount by which those Investor Claims should be reduced in order to account for the  
8 projected distributions those holders will receive from DWT in the Class Action or in the Beattie  
9 Action, as the case may be. The Receiver wished to make a second interim distribution before  
10 the end of calendar year 2022, and sought to reduce the allowed claims of the members of the  
11 Class and of the Beattie Plaintiffs in estimated amounts for the purposes of that distribution,  
12 because the Receiver understood it would likely take several months before the DWT payments  
13 are made in the Class Action and in the Beattie Action.<sup>2</sup> Accordingly, on October 28, 2022, the  
14 Receiver filed its Motion (1) to Reduce Allowed Amounts of Certain Investor Claims to Account  
15 for Davis Wright Tremaine LLP Recoveries, (2) for Authorization to Make a Second Interim  
16 Distribution on Allowed Investor Claims and the Babeckos Claim, and (3) for Authorization to  
17 Make Additional Distributions from Time to Time.

18       10.    On December 2, 2022, the Court entered the Order (1) Reducing Allowed  
19 Amounts of Certain Investor Claims to Account for Davis Wright Tremaine LLP Recoveries, (2)  
20 Authorizing Second Interim Distribution on Allowed Investor Claims and the Babeckos Claim,  
21 and (3) Authorizing Additional Interim Distributions from Time to Time (the “Reduced Claims  
22 Order”). The Receiver then made a distribution of \$1.2 million pursuant to the Reduced Claims  
23 Order.

24

25

26       <sup>2</sup> The DWT payments have still not been made to the Class or the Beattie Plaintiffs.

1           11. Contemporaneously with the filing of the Motion, the Receiver will be filing the  
2 Motion to Approve Settlement Agreements with Pacific Premier Bank and Riverview Bank and  
3 Grant Related Relief (the “Bank Settlement Motion”). If the Bank Settlement Motion is granted  
4 and the settlements become effective, the Estate will receive \$19 million.

5           12. The amount of proceeds from the settlements, if approved by the Court and  
6 performed by Pacific Premier Bank and Riverview Bank, would be sufficient to pay the  
7 investors’ MIMO claims and the Babeckos Claim in full. Accordingly, the Receiver seeks  
8 authorization from the Court to maintain the MIMO claims and the Babeckos Claim as  
9 previously allowed, and restore the allowed amount of the MIMO claims that were reduced by  
10 the Reduced Claims Order to the Investors in the Class and the Beattie Plaintiffs. In addition, the  
11 Receiver believes that it would be appropriate to allow the incremental book value amounts of  
12 the Investor Claims above the MIMO claims, on the basis of which the Receiver may make a pro  
13 rata distribution. The Receiver proposes to make a distribution of \$17 million on such allowed  
14 claims, if the Bank Settlement Motion is granted and the payments are ultimately received from  
15 Pacific Premier Bank and Riverview Bank.

16           13. If the Motion is granted, the Investor Claims and Babeckos Claim will be allowed  
17 and distributions will be made on those claims as set forth on Exhibit A hereto.

18           I declare under penalty of perjury under the laws of the State of Washington that the  
19 foregoing is true and correct.

20           EXECUTED this 30th day of June, 2023, at Portland, Oregon.
